The Team at Angle House would like to wish all of our patients and families a very Merry Christmas and a Happy New Year.

The practice will be closed from
Monday 23rd December

and will reopen for patients on
Monday 13th January.

Reception is available to take your appointments or enquiries from Monday 6th January.

Have a safe and enjoyable break!

WIN A \$100 GIFT VOUCHER

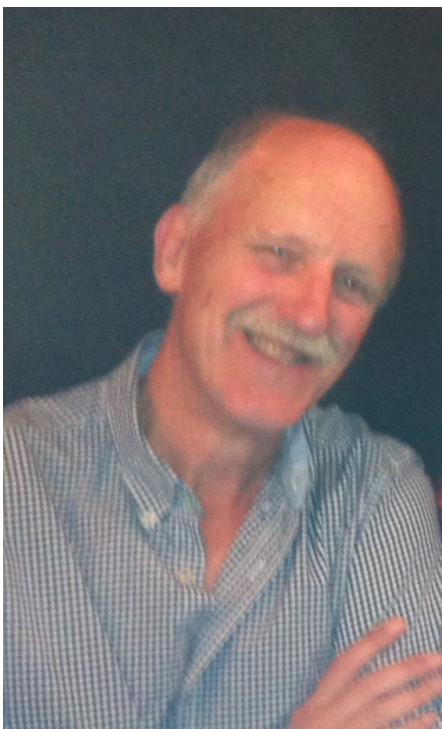

We are looking for a name for our new newsletter, so send in your entries to:
info@anglehouseorthodontics.com.au
or drop in to the practice. The best name will be adopted for our newsletter in 2014. The winner will receive a \$100 gift voucher of their choice.

Featured Appliance: - AcceleDent aura

AcceleDent Aura is a simple-to-use, hands-free device designed for faster orthodontic treatment. Used in conjunction with braces or Invisalign, AcceleDent uses a custom mouth piece which you bite on for 20 minutes each day (perfect to use while watching TV or on the computer). Through the use of gentle micropulses called SoftPulse Technology™, tooth movement is accelerated resulting in shortened treatment time. Want to know more? Just ask Dr Kataria at your next visit or phone the practice and ask to speak to our treatment coordinators Katrina or Joanne.

“If you see a friend without a smile, give them one of yours” - Proverb

Farewell : - Dr Brian McGuinness

Dr Brian McGuinness retired from practice at Angle House Orthodontics in early August.

Dr McGuinness founded Angle House Orthodontics and had been treating patients in the Balwyn and surrounding areas for over 25 years. On his retirement Brian said “ I found my career most rewarding and appreciate the wonderful opportunity I had to work with so many delightful patients, families and dentists.”

Brian is embracing his hard earned time off to enjoy plenty of golf and quality time with his five grandchildren.

Patient Profile: - Frank Dixon

Frank Dixon is a fourteen year old singer/songwriter/musician who spends his time travelling between Melbourne, Los Angeles and Angle House Orthodontics, where he has just finished his Invisalign treatment.

“I wanted to have Invisalign because it was the least noticeable treatment available and to be able to remove the aligners if I had a big singing competition. In the end I haven’t even needed to take them out much, as people really don’t notice them and I have found it very easy to sing with them on” Frank explained.

Frank’s major music breakthrough this year was as the support act for the hugely successful UK boy band ‘FIVE’, where he played to two sold out shows at the Palace Theatre in Melbourne. ‘FIVE’ were produced by Simon Cowell and have sold 10,000,000 copies of their albums world-wide.

Last year Frank won the Australian Song writing Association Award for the songwriter of the year under 18 youth category. He also won the 2012 Jaanz Songwriter of the Year, Highpoint Search for a Star (12-17years) and the Sydney Road Festival Song Writer competition.

Frank has recorded with Grammy Award winning producers First Born, Devine Evans and Grammy nominated producer Dre Knight.

Over the last year Frank has worked in Australia co-producing his own debut album, ‘*Proof of Concept*’ due out in 2014. He is currently touring Australia with his live band to launch his single, ‘Dream Brigade’.

Frank’s single ‘Dream Brigade’ is now available on iTunes.

Competition Winner

The Winner of our iPad competition will be announced on Thursday 19th December. Good luck to all our contestants on getting their friends to vote for their photo. Don't forget you can still enter up to 18th December 2013.
